LEGION VOTES TO AID RED CROSS

Veterans to Work in Membership Campaign in Return for Service Overseas.

The American Legion Thursday night voted unanimously to aid the Red Cross in the third annual roll call, or membership drive. Veterans of the world war, the members of the legion, are to be given the chance to return in part the service rendered them while the thunder of big guns shook the soil of France.

One day will be set aside during the week of the drive, Nov. 2 to 8, on which members of the legion will go out in force to collect as many as 11 memberships on the American Red Cross as is possible. The day probably will be either Nov. 3 or 4.

The vote to come to the aid of the Red Cross followed an appeal on behalf of the society by S. M. Williamson, of the board of directors for the local Red Cross chapter, and P. J. Crenshaw, one of the leading workers in the third annual roll call. The chairman and the executive committee of the legion were given power to name a committee to head the membership drive work. Thousands of memberships, at \$1 each, are expected to be harvested on American Legion day. Workers in the Women's division, and leaders in the Men's division of the Red Cross were invited to attend a meeting of the executive committee of the legion, which will be held at noon Monday, Oct. 27, for the purpose of discussing plans for American Legion day.

The social agency endorsement committee of the Chamber of Commerce put their stamp of approval on the third annual roll call of the Red Cross when they met Thursday afternoon. C. E. Lovell, of the Southern division headquarters of the American Red Cross, outlined the roll call and peace program campaign to the committee of which John Richman is chairman.

NO NEW COURTHOUSE FOR CRAIGHEAD NOW

JONESBORO, Ark., Oct. 24. (Sp.)—The quorum court met yesterday, with Judge Fuller presiding and a majority of the justices of the peace present. The proposition of a new courthouse was taken up, but upon motion was tabled until next year on account of the extreme high prices of building material.

SOUTHERN BELL HELLO GIRLS ARE ORGANIZED

NATCHEZ, Miss., Oct. 24. (Sp.)—A local of the Southern Bell Telephone association, composed of the employees of the exchange in Mississippi and Louisiana and the Natchez district, has been organized here with the following officers: D. W. Lacy, chairman; W. A. Brown, secretary-treasurer; and Miss Mabel Matthews, T. M. Cruise and Miss Alice Barton, grievance committee. The organization was formed under the auspices of the Cumberland Telephone company.

Among the purposes set forth is that the association recognizes the fundamental principle that any employee has the right to bargain individually.

BETTER MAIL SERVICE.

HELENA, Ark., Oct. 24. (Sp.)—Just one week after Postmaster Jarman took the matter of better mail service between Helena and Memphis and points out in Arkansas, he was notified that the service would be inaugurated. This means that the messenger train leaving here at 6:25 will move mail matter from Helena that has heretofore been compelled to remain overnight for the lack of rail transportation.

SENATOR MARTIN IS CONSIDERED BETTER

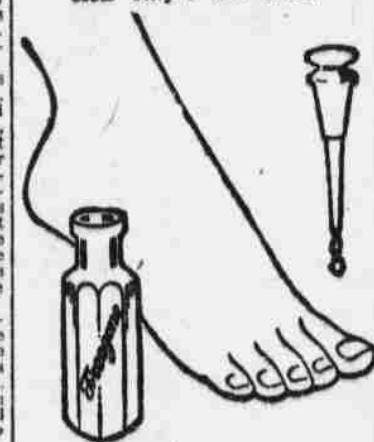

CHARLOTTESVILLE, Va., Oct. 24.—Senator Thomas S. Martin, whose condition was reported as being critical yesterday, following a sinking spell, which caused members of his family to be summoned to his bedside, rated fairly well last night, according to Dr. John Stange Davis, the patient's physician, and was in no immediate danger this morning.

NEW ITALIAN ENVOY TO HASTEN HIS COMING

ROME, Oct. 24. (By Associated Press).—Baron Romano Avezzano, who sometime ago was selected to relieve Count Macchi di Cellere as Italian ambassador to the United States, will hasten his departure for America because of the death of Count di Cellere, even though his health is not of the best at present.

Lift off Corns!

Doesn't hurt a bit and Freesone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet.

A tiny bottle of "Freesone" costs little at any drug store; apply a few drops upon the corn or callus instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!
